### New Fees Effective November 23, 2010

Effective November 23, 2010, fees for U.S. Citizenship and Immigration Services (USCIS) forms change. The forms and fees are listed in numerical order on subsequent pages. To avoid processing delays, include the correct fee when you file your form with USCIS. If you do not submit the appropriate fee on or after the effective date, we will reject the form. You will need to resubmit the form with the new fee.

### Biometric Services Fee

If the form you are filing requires biometric services, you must pay an additional fee of **\$85**.

See "**Biometrics**" on this Fee Schedule to determine if you must pay a biometric services fee. If "Yes," read "**What Is the Filing Fee**" on the instructions of the form you are filing for additional information.

The biometric services fee is in addition to the form's base filing fee and must be paid at the time of filing. This fee covers the cost of collecting, storing, and using biometrics for background checks.

Fees for forms and biometric services may be paid by one check or money order, or by separate check or money order. Unless otherwise instructed, make the check or money order payable to **U.S. Department of Homeland Security**.

### Fee Waiver Request

For further guidance on fee waiver requests, visit our Web site at: [www.uscis.gov/feewaiver](http://www.uscis.gov/feewaiver).

### How Often Do the Fees Change?
